THANK YOU...

for making our 1st home-buying
process a breeze!

We both felt so comfortable
w/ you both & greatly appreciated
your knowledge & insights!

Also, I would like to THANK YOU

for BOTH fun gift baskets you
gave us! You are one busy lady,
Lori!! And you do well at all
your hobbies! Thank you for
keeping our interests a priority
and for all the "extra miles" (co!!)
you went for our needs!

You know we'll always pass your
